

Carshalton High School for Girls

A Specialist Humanities and Arts College

02 March 2012

Dear Parent(s) / Carer,

'Aim Higher' Kingston University Trip - Tuesday 6th March

I am writing to inform you of a Health and Social Care taster day to be held at Kingston University at the Frank Lampi Centre, on the Kingston Hill site on Tuesday 6th March. This day has been organised for some year 11CCLD/HSC students and all year 12 Health and Social Care students by the Aim Higher department of the university. The purpose of this day is to introduce students to a typical day at university within the Health and Social Care undergraduate programme. Students will attend a key lecture, discuss nursing /clinical skills and have the opportunity to speak to student ambassadors already on these courses. There will also be the opportunity to meet the staff and discuss the courses available.

I hope you will agree that this is an excellent opportunity for students to sample a Health and Social Care taster day at Kingston University, especially if they are interested in careers to do with child care, nursing and social work as an example.

Your daughter will need to meet Mrs Greenland at 9:50am at the Kingston Hill Campus. Year 12 students have kindly agreed to accompany Year 11 students travelling by bus, to the Campus. There is a short meeting on Monday 5th March in D10 as soon as students have registered, to confirm travel arrangements. The university would prefer students to bring a packed lunch but snacks and drinks can be purchased. The day concludes at 3pm and students will be dismissed from the university to make their own way home. If you would like your daughter to attend, please complete the attached slip and insurance form and return it directly to Mrs Greenland by 9am on Monday 5th March 2012. If you have any further queries, please do not hesitate to contact me.

Yours faithfully,

Ms M Butler-Salvidge
Faculty Leader Vocational Courses

Reply slip: Please return to Mrs Greenland by Monday 5th March 2012.

Visit: Kingston University on Tuesday 6th March 2012.

Daughter's Name: _____ Tutor Group: _____
