Which Institution?

A Levels

Average of “4”s at GCSE

Predicted grades at A Level - DEE

Average of “5/6”s at GCSE

Predicted grades at A Level CDD

Average of “8/9”s

Predicted Grades at A Levels AAB

My daughter

Average of “B”s and “C”s at GCSE

Wants to do Media Production

UCAS Tariff Points

A* = D*

Who's going to University?

BTEC qualifications - Myths

For students with more moderate GCSE grades

Not equivalent to A level

Easier than A level

For students with lower aspirations

For naughty students

Don't derive UCAS points

Won't enable you to progress to university

BTEC qualifications - Truths

Different sizes dependent on the number of Units Certificate, Award, Diploma, Extended Diploma

Combine academic theory units with practical units

Assessed through a combination of continuous assignment - tests, essays, research projects, practicals, field work, experiments **and exams!**

Prepare you for employment through work experience and vocationally focussed/applied units

Graded - Pass, Merit, Distinction, Distinction *

Earn UCAS points just like A Levels

2nd Question - Which course? Celebrate choice!

A Levels

GCSEs
