

# 10 Steps to Carshalton High School for Girls for Students

**Visit the School website.**

Here you will get lots of valuable information about the School and the School day

**Keep your best work!**

Keep some of your best pieces of work from your Primary School and bring them with you on the first day. Show them to your teacher for each subject when you first visit their class.

**Plan your route to School.**

Practice your journey before you start so you know it really well.

**Complete your English work.**

Read your book and write a Book Review on the book you have read. Bring this with you on the first day in September.

**Complete your Maths work.**

Log on to My Maths and complete the tasks that have been set for you before the first day in September

**Label everything!**

Make sure your name is on your School uniform, bags, shoes.....everything! We have a lost property area and if your name is on it you will find it much easier!

**Join our Summer School.**

Make sure you read the information about our Summer School and sign up! It will be a great opportunity for you to visit the school for a number of days and meet lots of other students.

**Practice getting up in the morning.**

Plan to get up early in the morning (the time you need to for school) the week before you start. This will get you into good habits for getting into school on time.

**Talk to other students.**

If you already know someone at CHSG talk to them about School life. When you arrive for Induction Day please make sure you know the name of at least 5 people in your tutor group by the end

**Don't be nervous!**

There are lots of students who are joining us at the same time. Everyone is in doing the same things and everyone will want to make friends. You will have a great time here at CHSG!
