EXTRA-CURRICULAR CLUBS 2022/2023

Carshalton High School for Girls

Excellence: everywhere, every day.

Extra-curricular clubs

Carshalton High School for Girls has a strong tradition of offering high quality enrichment opportunities and activities in addition to the curriculum. These activities are an important and exciting feature of school life and contribute enormously to our pupils' social, moral, spiritual, and academic development.

There is an extensive range of extra-curricular activities and enrichment opportunities on offer including the arts and sporting provision with opportunities to take part in workshops, field trips and research.

We offer students the chance to immerse themselves in different cultures and experiences through several national and international trips and visits. Students also have the opportunity to participate in our House competitions which include debating, sporting, design and chess challenges.

Theatre trips, visits to exhibitions and museums plus excursions to local colleges and universities also occur regularly and provide further opportunities for students to enrich and extend their learning beyond the classroom.

Each term, students will be given the co-curricular timetable with all the activities on offer and are encouraged to get involved in a number of exciting opportunities. Learning takes place inside and outside of the lessons and we encourage all of our students to engage with the activities on offer and fully embrace school life at CHSG.

Excellence: everywhere, every day.

Questions and Answers for students

Do I have to stick with the same club all year?

No, most clubs will run throughout a half term, and you can select a new club to attend or continue with the same club.

What happens if I sign up but don't attend?

We would be disappointed if you did this. If you cannot attend for any reason, please communicate via email with the teacher in charge of the club or activity. If you are not enjoying an activity, please stick with it for the duration of the half term and then select a new one.

What happens if I have a detention and cannot go?

Your detention will take priority, so please avoid getting any after school detentions.

What happens if I have a sports fixture on the same day as my brighter futures club?

We want you to represent our School and achieve well in sports. Fixtures do not take place on set days so we would allow you to miss your activity, but please email the teacher in charge so that they are aware that you are representing our School on that day.

Will I be able to pick my clubs for the whole year in September?

No, the clubs and activities are advertised just for the term identified. A new booklet will be released at the beginning of the next term.

Can I do more than one club in a half term?

Yes but they will have to be on different days.

What happens if my activity is cancelled?

Hopefully this will not happen, however in some cases the activity may be cancelled. An email will be sent to you and your parents letting you know.
