

Dear Sixth Form and Parents/Carers,

### Year 13

I think that on behalf of the Tutor team, Mrs Norman, Miss Cherry, Mrs Phelps-Gardiner and Miss Connolly that we all agree that seven years has flown by and that we are here today with the crème da la crème of the school. You walked in as young girls and now will be walking out as young adults.

You can't fail to ignore some of the wonderful work that has also been accomplished even though your formal exams have been cancelled. Well, who would have known that this pandemic would have hit you guys not only in your last year of 6th Form but throughout your whole 6th Form experience. You've stayed strong, which I know for some of you this was hard, but you kept it going and stayed in touch until we get to this place here: **The Finish Line.**

So, I leave you with this; **Now** is **your** time when you can write **your** page in history. Good luck, and remember to stay in touch. It's been a pleasure and I'm so proud of you.

Class of 2021, it sure has been one hell of a journey!

**Miss Bevan.**

### Year 12

"You can't go back and change the beginning but you can start where you are and change the ending" - C.S. Lewis

As we move into our final weeks of our school year, it's important to recognise the journey you have been on this academic year. You have risen to more challenges and should be proud of where you are now. The end is in sight but we must continue to work hard as exam week approaches. It's important to have a clear routine, study timetable, your personal study area and of course, nothing beats a to-do list! Using your time wisely will increase the effectiveness of your revision. So if you're guilty of endless scrolling, it is time to put the restriction on! Work-life balance is key to success so use your half-term judiciously and know that you must rest and enjoy time for yourself too. I want you all to finish this year on a high as you make a smooth transition into Year 13.

I hope you have a restful half-term.

**Miss Cherry**
