

1 October 2021

CARSHALTON HIGH SCHOOL FOR GIRLS

NEWSLETTER

Excellence: everywhere, every day.

Headteacher's Welcome

Dear Parents/Carers

A warm welcome to our newsletter on a wet and windy Friday morning!

I am delighted to say that we are now back in the swing of things following both the LFD testing and the delays to our Snack Shack. We have also moved cautiously out of our year group bubbles but maintain separate breaks/lunches and online assemblies. Having seen a rise in positive cases in a number of schools across the Borough we will continue to monitor our numbers here and act accordingly. Please do continue with asymptomatic LFD testing and keeping us informed of any positive cases.

It is important that students do not come to school if they are unwell. I appreciate that students have missed some time during lockdowns but we are doing our utmost to keep the girls safe whilst they are here using our control measures; we cannot legislate for students coming into school when they are unwell. This risks the education and safety of everyone, therefore we expect you to not send your daughter to school if she is unwell, even more especially if she has COVID-19 symptoms.

Last night we held both our Year 7 Meet the Tutor and Year 11 Parents' Information Evening. Both events were online and thankfully we didn't have any technical difficulties! We recognise that so many of you take an active interest in your daughter's education but that there can be difficulties in getting into school for an event, so these online events are ideal for meeting both of these needs.

Attendance at both events last night was fantastic and far higher than we normally would have for an 'in-person' event, so we hope there was something useful for everyone. However, we do not want to lose that personal touch. Therefore, if you do have any concerns or questions about your daughter or her progress please do continue to contact their teacher, Head of Department or a member of the pastoral team who will be happy to help. If you missed the Year 11 live event a recording will be made available in due course.

October is Black History Month and we will be running a number of events to celebrate this key event. Full details of talks, seminars, assemblies, competitions and other events can be found inside this newsletter. I look forward to keeping you updated on each of the events and activities throughout the month.

Year 7 will be holding a 'Culture and Values' day on Friday 8th October celebrating the 5 values that make up #teamchsg: Be our best, Be together, Be involved, Be ambitious and Be aware. Year 10 will be having their first 'Careers Day' for this year on 15th October and the

Headteacher's Welcome

programme for this looks exciting with key presentations and discussion on their future pathways and career options.

We have been very busy inviting potential Year 7 students and their parents/carers into our school for tours every morning, instead of the usual Secondary Transfer Evening. These have been incredibly popular and they have given everyone an insight into the day-to-day life here at Carshalton High School for Girls. The feedback has been overwhelmingly positive and a lot of parents/carers have commented on the positive culture in the school, the relationships between staff and students and between the students themselves. We are obviously very proud of what we have achieved (we see it every day!) but it is great to hear feedback from other sources and it is testament to the positive start the girls have made.

Finally, there has been much talk and discussions about vaccinations for 12 – 15 year olds in schools. We have been contacted by Hounslow & Richmond NHS and we have been given a provisional date of **18th October**. I will write to you early next week with the full details of how we are facilitating the vaccinations and what you have to do should you wish your daughter to be vaccinated. No student will be vaccinated without parental consent. The final decision on this sits with you as the parent/carer and I would encourage you to have a discussion with your daughter beforehand.

Have a great weekend

Mr Devenney

The Snack Shack

The new, improved Snack Shack is now open and proving very popular with students and staff.

YEAR 7

Head of Year: **Miss L Stanley**
Asst Head of Year: **Miss A Williams**
Pastoral Support Officer: **Mrs B Watkins**

Our CHSG7 students are continuing to settle into school life really well. We have changed our timetables this week resulting in the girls moving around the school site more than they have been. They seem to have taken this in their stride and we are continuing to support those finding it a little more difficult.

Over one hundred of our students enjoyed our Treasure Hunt last week, being sent around the school to the main curriculum areas hunting for the letters to make up #teamchsg. Their hunt concluded in our brand new Careers Centre with the opening of the Treasure Chest – it may have

been that all evidence of their haul had disappeared by the time they arrived home, save for a slightly chocolatey mouth!

As I write we are preparing for our Meet the Tutor evening. We hope this was a useful evening for you to meet with your daughter's Form Tutor and you were able to get a sense of how your daughter is settling in. As always, please do contact your daughter's tutor with any questions you have. All tutor email addresses are available on the school website in the staff directory.

Lorna Stanley and Team7

Canteen

We have had some queries about the meal deals served in the canteen. We are hopeful the information below will be helpful clarification for you, and useful as you discuss options with your daughter.

House Achievement Points Leaderboard (HAPs)

Highest achievers each week

6th - 17th September

Isabella D	7G2	19
Taliah R	7B2	17
Eleanor D	7R2	17
Soumya M	7Y1	15
Melanie R	7B1	14
Sophie K	7R1	14
Maisie H	7B2	14
Emma A	7R1	14
Amber D	7G1	14
Tracey A	7Y2	14

21st - 24th September

Sophie W	7Y2	14
Eleanor D	7R2	13
Evie S	7R2	13
Isabella D	7G2	12

Looking Ahead

Next Friday (8th October) is our **be@chsg day**. We will take the day to consider the importance of our school values, namely:

- Be our best
- Be involved
- Be together
- Be ambitious
- Be aware

The students will spend the majority of the day in their Tutor Groups with their Tutors. They will not need their booklets or PE/Dance kit on this day, but should bring their lanyards, reading book and pencil case as usual.

YEAR 8

Head of Year: **MR J Stockwell**
Asst Head of Year: **Mrs L Oladokun**
Pastoral Support Officer: **Mrs S Warren**

Dear Parent/Carers

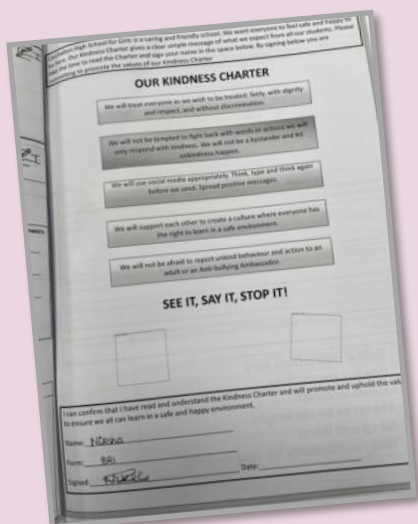

Year 8 have settled in well into the routines of school life. They have come in dressed smartly in uniforms, ready to learn and with great attitudes. The high number of House Achievement Points, received so far this year is a testament of the excellent behaviour of Year 8. As a team we are extremely proud of how they are conducting themselves in and around school.

We have been busy the last two weeks in tutor times with the Personal Development Programme. During tutor times, one of the topics that Year 8 have discussed is how we learn here at CHSG. Students were taught the four aspects of lessons here at CHSG:

- Do Now Tasks
- Workbooks
- No Opt Out
- SHUSH

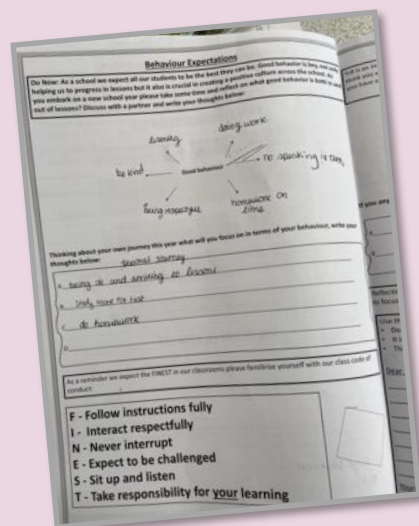

Do ask them to tell you what each aspect is about. Year 8 now understand what to expect in their lessons and why we do things the way we do.

Another topic Year 8 have looked at is good behaviour and kindness. Students have been reminded of our school's

kindness charter and have signed up to say they agree to uphold the values of the charter. As a school the way we make others feel is a key aspect of our culture and we expect our students to be kind to each other and every member of our school community.

This year students in Year 8 will be choosing their GCSE options. Pertinent to this is ensuring they have the right attitude and

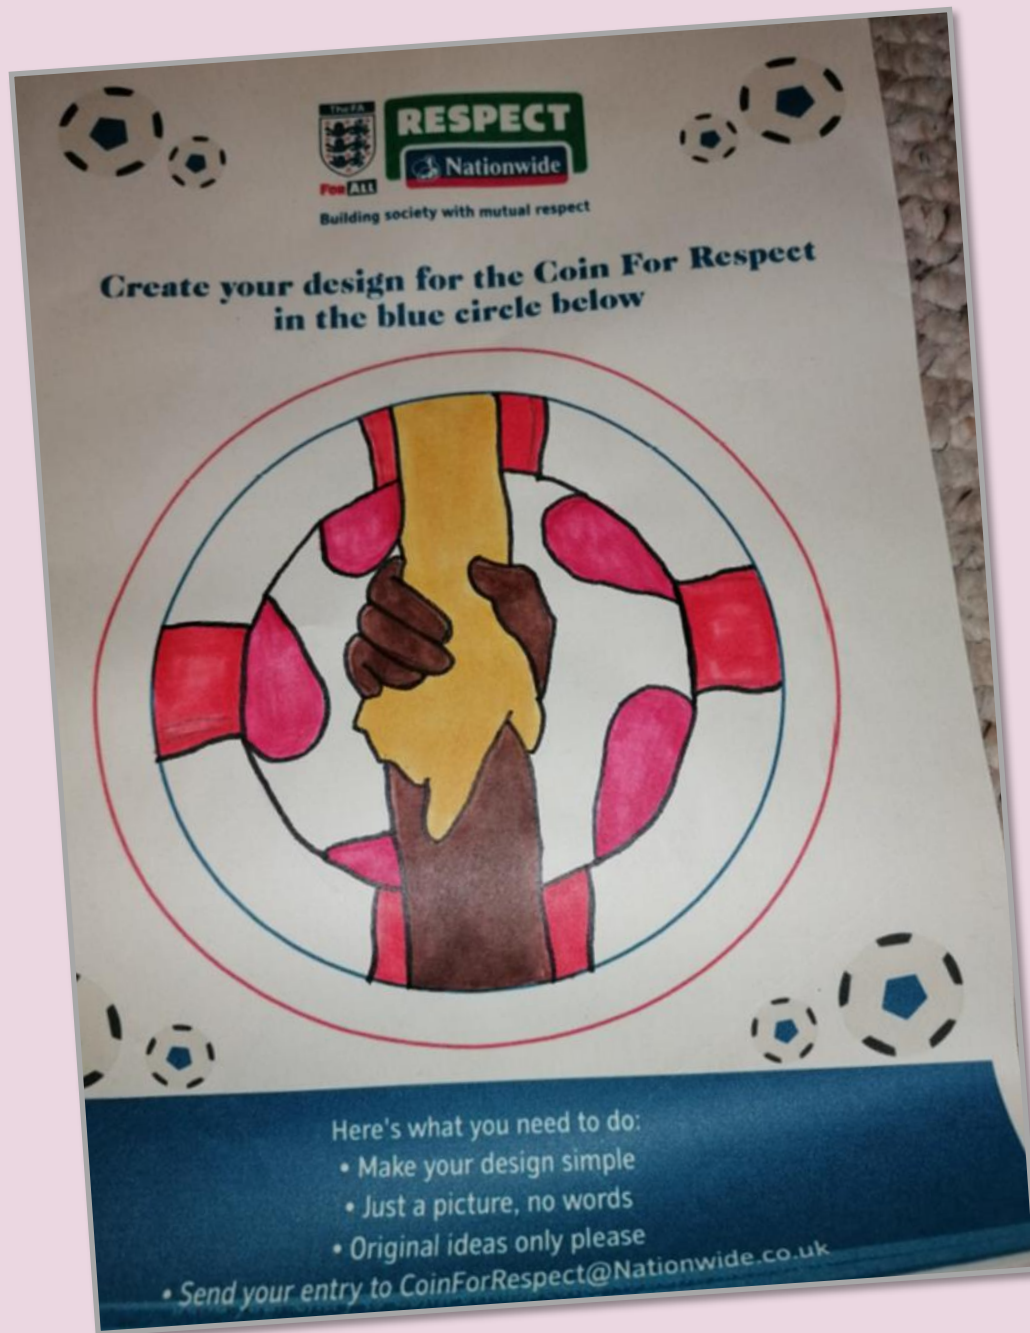

behaviour so they are focused, undistracted and able to make this important decision. In tutor time they discussed what good behaviour looks like and have written letters home describing the aspects of their behaviour they will work on that will ensure they improve this academic year.

As a school we are lucky to have many staff who are able to provide co-curricular activities. You should have received the list of activities that are available to Year 8 students. Some students also had the opportunity to audition and got a part in the school's musical show **"Matilda"**. Do watch out for tickets to this fantastic show which they are already rehearsing for.

Many Thanks - The Year 8 Team

Coin for Respect Winner!

Many of our students are involved in clubs, sports, charity work and other activities outside of school. We love to celebrate this and are always happy to hear about them.

We are proud to announce that **Chloe D in 8R2** won a competition. She designed a coin for the FA that will be used as a symbol of respect at the start of every grassroots game across the UK. See the picture above for Chloe's winning entry.

A massive congratulations from all of Year 8.

YEAR 9

Head of Year: **Ms R Kelly-Smith**
Asst Head of Year: **Ms S Brice**
Pastoral Support Officer: **Mrs W Newman**

Dear Parents/Carers,

I hope this newsletter finds you well.

What a busy few weeks Year 9 have had, settling in to their new lessons in their GCSE options subjects and their extended curriculum lessons too. The year group has really made a fantastic start to the academic year as evidenced by the high numbers of Golden Tickets achieved compared to the very low numbers of students who have been given detentions. Well done Year 9 - we hope you keep this up!

In the last newsletter I outlined the leadership opportunities available to Year 9 this year and it has been great to see our new Year 9 Ambassadors in action over the last week, giving school tours to prospective parents and their daughters. The feedback from the parents who have been escorted round by the Year 9 Ambassadors has all been brilliant, with lots of remarks about what a fantastic job they did, how helpful they were and how well they were able to answer questions. Thank you to all of our fantastic Year 9 Ambassadors for everything they've done so far in helping to represent our school

community so well and giving these prospective students and their families such a positive experience at CHSG. We are looking forward to celebrating more students as they take on other leadership positions within the school across the next few weeks.

I am loathe to mention the dreaded 'C' word, but just a reminder to parents/carers and students that lateral flow tests should not be taken if a student has any of the 3 main Covid symptoms. Where a person has any of the 3 symptoms (temperature, new repetitive cough, loss of taste/smell) they need to remain at home and book a PCR test. The school is providing Teams links to lessons for students who have provided evidence of a positive PCR test and are having to isolate for 10 days. Any student who gets a positive lateral flow result should get the result confirmed by a further PCR test.

Wishing all of you a wonderful week,

Ms Kelly-Smith,
Mrs Brice,
Mrs Newman
& the Year 9 Team

YEAR 9

Autumn Self Care Activities

Self-care is important all year round but, in the Autumn, it begins to feel more difficult. Without self-care, stress builds up and then we begin to feel overwhelmed, exhausted and physically unwell. So, let's have a look at some things that we could do to take care of ourselves and feel the positivity inside instead of the cold outside.

Contribute to a cause you believe in

There are tons of great causes that are recognized during October. Putting your time and energy into something you feel passionate about can improve your mood and help you feel more empowered and hopeful.

Create an Autumn exercise routine

Exercise is a staple of most people's self-care routine. Even if you dread getting started, most people find that they feel better after they stretch their muscles and get their heart rate up.

Enjoy the last bits of warm weather

Depending on where you live, you may already be feeling a chill in the air. Sunshine is good for us and as we move towards Winter, the Northern Hemisphere gets less and less. So, make the most of the remaining warm, sunny days by spending some time outside.

Bake

Baking is a way to express your creativity. It also reduces stress and promotes mindfulness. And, of course, those creations are yummy!

De-clutter

Autumn and Winter usually mean spending more time inside, which means it's important for your physical surroundings to promote a relaxing and pleasant mood.

With that in mind, Autumn is a good time to clear some clutter and make the inside a calming refuge. For a simple way to start, designate three boxes or bags as trash, donate, and sell. Every day, challenge yourself to pick up 5 items and put them into one of the three bags.

Cold and flu prevention

This may not be the most exciting form of self-care, but taking some basic steps to avoid getting sick is definitely a loving thing to do for yourself. Self-care includes everything from washing your hands, to applying positivity into your everyday life.

Keep a Diary

Diaries are popular because they're quick and effective ways to shift our mood away from our problems and worries and towards the good things in our lives.

We all tend to notice and fixate on the negatives. It takes work to notice our strengths, simple pleasures, and what's going well. Writing a diary provides better physical and mental health, sleep, empathy, self-esteem, and relationships.

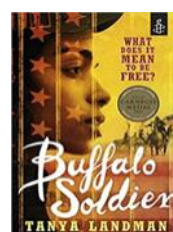

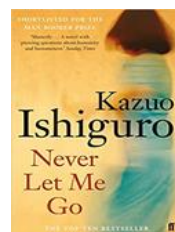

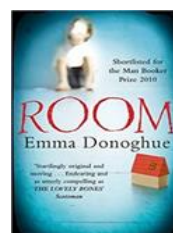

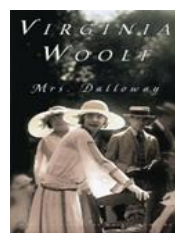

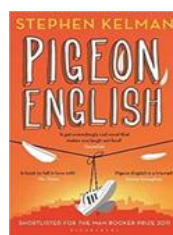

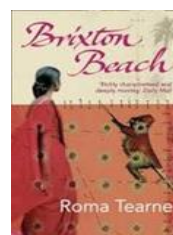

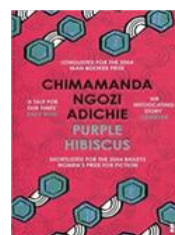

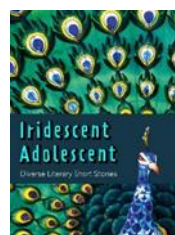

YEAR 10

Head of Year: **Mrs N Devaney**
Asst Head of Year: **Ms D Johnson**
Pastoral Support Officer: **Mrs A Baker**

Tutor Reads Programme

The Tutor Reads Programme has started in earnest across the Year Group. Please take a look at the selection of amazing works especially chosen by Ms Bhatt our Head of English for our Year 10 students.

Please do continue to encourage your daughter to read as much and as widely as possible for pleasure. Thank you for your continued support of our literacy programme.

Year 10 Personal Development Programme

And just like the Tutor Reads, the Year 10 Personal Development Programme (PDP) has started to take root in the afternoons. This term, the girls have started to work on effective learning and how to be great learners. Later on, they will explore how to be part of creating a safe and caring environment for all, how to improve themselves and build self-confidence and how set goals to help them make the most of their time here at CHSG.

The girls are also undertaking one Careers session every two weeks. Students will explore the world of work vs. school, learn how to access information about careers, understand what relevant skills and minimum qualifications are needed for various jobs and a host of other career-related topics! The Year 10 Careers Day will be held this half-term on Friday, 15th October.

YEAR 10

The Access Project

Last Thursday Mr Ainsworth launched the new Access Project Programme to Year 10 students in a special assembly.

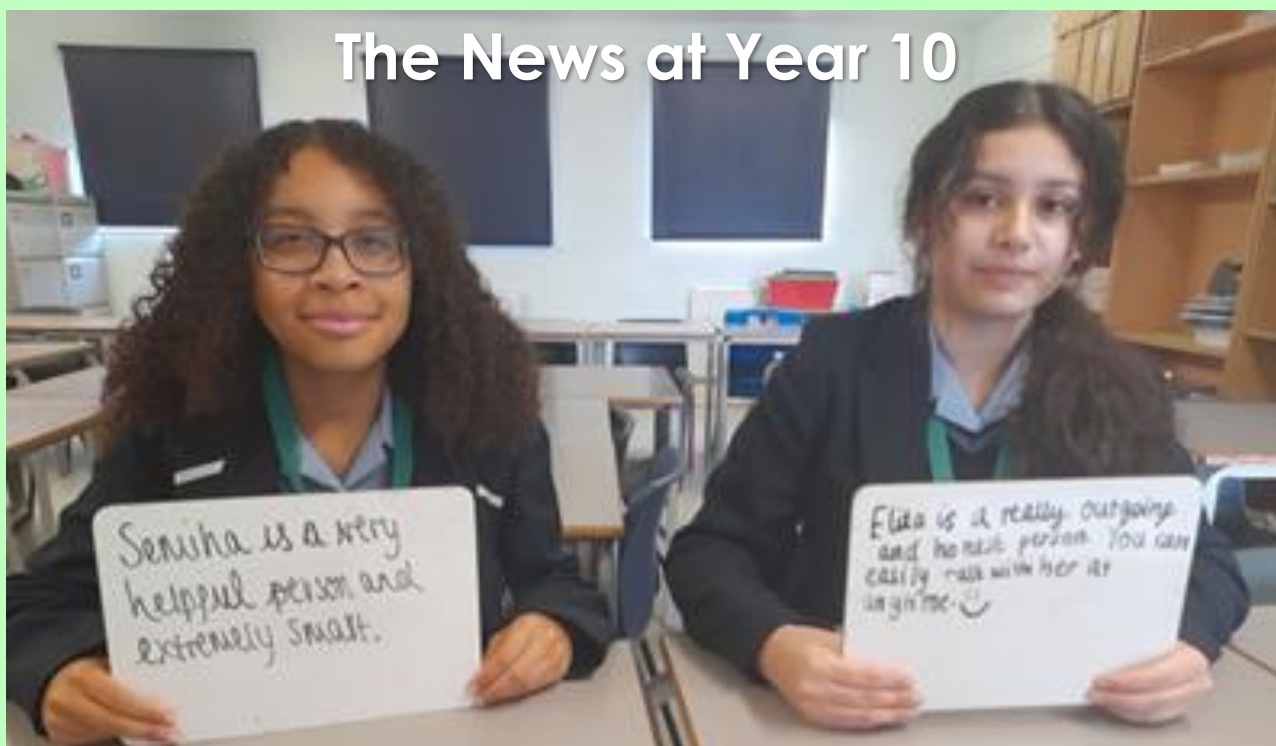

The Access Project supports students to access top universities in the UK through a combination of online tuition and in school-based mentoring. The project is free to students. There are 10 spaces available to Year 10 and an email was sent to all

students inviting them to apply. The deadline for the applications is 9am on Friday 1st of October.

For those students who are unsuccessful, never fear. CHSG has developed a robust Careers Programme for all of Year 10. This has already been introduced and will continue during our pm tutor sessions.

If you have any questions about our Careers Programme please email our careers Advisor Ms Phelps-Gardiner on dphelps-gardiner@carshaltongirls.org.uk.

The News at Year 10

Semiha and Elita from 10B1 reflect on the first few weeks back at school

"Settling back into school has been quite smooth and easy for us. We have stayed in the same classes from Year 9, so we know everyone, and it feels more of a comfortable place to be. We like having tutor time in the mornings and in the afternoons now. This is because we can do productive activities like Reading and the Personal Development Programme (PDP). In our PDP sessions, we have been coming up with positive words that reflect us, and as a class we are practising to say positive things about each other. Additionally, the new tutor time program has brought us all closer as we voice our ideas and thoughts, giving everyone respect to have their own opinions. By doing this, we understand that we should appreciate the good things about one another.

The daily Tutor Reads is great because the book we're reading, 'Buffalo Soldier', reflects real-life situations that happened in the past. We are now having a better understanding of how life was for some people, and what they went through. Furthermore, this shows us that we will go through struggles, but we will work through things with time.

Tutor times have been a pleasure to be in. It did not feel like we had been away from each other for seven weeks. In lessons, the teachers' focus for the first 1 or 2 lessons was to see what we remember from Yr. 9 and help us move forward to make sure that everyone has the knowledge they need. Overall, the start of Year 10 has been going great and we are looking forward to the many things the year has in store!"

YEAR 11

Head of Year: **Miss J Marshall**
Asst Head of Year: **Miss T Ishola**
Pastoral Support Officer: **Miss H Garrad**

This week we looked at student leadership opportunities in the school. We launched an exciting opportunity for students to apply for Head Girls and Deputies in Year 11.

This had a fantastic response with 27 applications being submitted, thank you to all of those students who applied. I have thoroughly enjoyed reading your applications and finding out what other activities you are involved in already outside of school, as I don't always get to hear about these.

The shortlist for those who have been selected to have an interview will be announced at the end of the week with interviews taking place with myself and Mr Devenney on Wednesday 6th October.

Other leadership roles that have been made available to year 11 students to participate in are as follows; Prefects - 2 per form, Student Voice - 2 per form, Student Council - 2 per year group, Student Librarians, Global Citizens,

Music Prefects, Tudor Rose Times School magazine Reporters and Editors, Elite Senior Dance Captain/Vice Captain, and school leavers committee - 2 per form.

Elections and interviews with form tutors will be held during form times. All students are encouraged to talk to their tutors for further information about a specific position they are interested in. We look forward to seeing lots of our Year 11 students putting themselves forward for these roles which will also look great on their CVs.

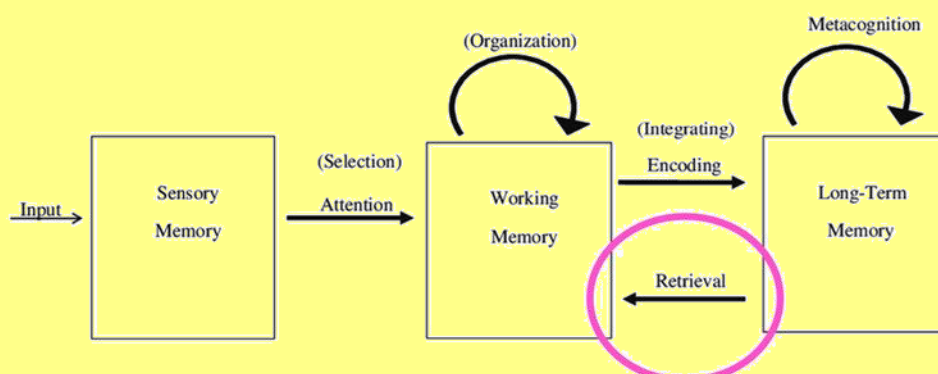

During tutor time, we have been focusing on metacognition and the impact it has on retrieval and retention of key information vital for GCSE examinations. Students are encouraged to use the technique outlined in the diagram below to make their revision have greater impact.

With best wishes from

Miss Marshall
Miss Ishola

REVISION = to look at again

LEARNING isn't an instant thing. It's a process which takes time, needs to be repeated and needs to be a bit tricky for your brain to really work.

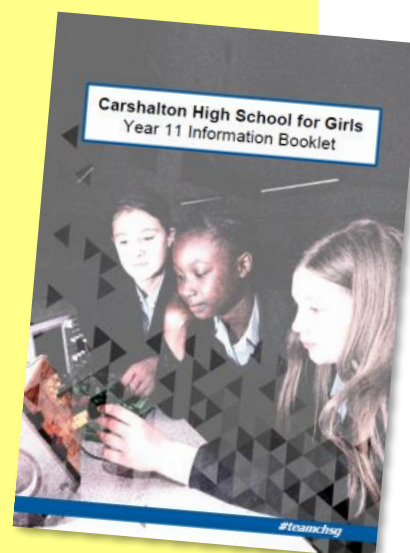

YEAR 11

Year 11 Information Evening

Thursday 30th September

This was an online event, starting from 5:30pm, and was delivered on *MS Teams Live*. During the evening crucial information was shared about your daughter's preparation for her GCSE examinations, including key information on how you can best support your daughter plus information on how to cope with the stress of exams.

Running the session live on Teams instead of it being recorded gives parents the opportunity to ask questions and clarify any points. We hope to make recordings of the event available online soon

The Access Project

This year we are excited to announce that we have forged alliances with The Access Project (TAP) who support students with accessing top universities through a unique combination of tuition and in school mentoring. This has already been introduced to Year 11 through an assembly and students now have until Friday the 1st October to apply. After this date applications will be reviewed and successful candidates will be invited for an interview on Friday the 8th October.

[Home - The Access Project](#)

The
Access
Project

Interventions

These are now in full operation and it is vital all students attend their allocated sessions. Some sessions are compulsory to certain students but outside this list others are still welcome.

Subject departments will be in touch to organise these sessions. These sessions are an opportunity for students to receive targeted support with their studies and coursework. The expectation during these sessions will be the same as timetabled lessons.

SIXTH FORM

Director of Sixth Form: **Mrs B Norman**
Head of Year 13: **Miss L Bevan**
Head of Year 12: **Miss M Cherry**
Pastoral Support Officer: **Mrs H Connolly**

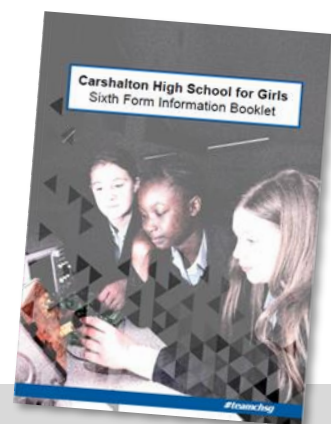

Year 12 Parents Information Evening 2021

Unfortunately we were unable to host this evening live this year. The video has been shared on our website. If any parents have any concerns, please do not hesitate to contact me.

[Year 12 Parents' Information Evening](#)

Sixth Form Information Booklet

Our Sixth Form Booklet has now been emailed to all parents and is available on the website.

MacMillan Coffee Morning

Well done to all the students and parents who baked for our Macmillan Coffee Morning this year. The Sixth Form Leadership Team did an amazing job organising everyone and sold everything! The students raised £214.50!

Thank you for your support.

Global Citizens at CHSG

We now have our new Sixth Form Global Citizen Cups, designed by Ada In Year 13. All student now have loyalty cards and if they use their our cup or one of ours 5 times their sixth drink is free.

We are really looked forward to seeing what else our Global Citizens will Introduce at CHSG.

Young Enterprise

Year 12 now have the opportunity to sign up to the Young Enterprise Scheme. All information has been shared this week. Please contact Mrs Shelton if you would like to apply or know more. ishelton@carshaltongirls.org.uk

Post 18 News

Y13 UCAS

Year 13 now realise that the personal statement for UCAS or apprenticeships is a real thing that is unavoidable, necessary, important. Each student should be making appointments to see their UCAS/post 18 referee to complete their side of their application before handing over to get their reference written.

Y13 Student Finance Parent Talk

Information about student finance will take place with a parent talk in January 2022 – more information to follow later on in the year.

UK University and Apprenticeship Search Virtual Fair

They are also holding a new upcoming Virtual Fair on Wednesday 20 October 2021. Students will have the chance to interact and engage with a very wide variety of universities, colleges and apprenticeship providers across the country, all from the comfort of their own laptop. With a series of live webinars throughout the event, and the chance to Live Chat with exhibitors on the day, students can gain a valuable insight into their next steps after sixth form. For more information and to sign up please visit:

<https://ukunisearch.vfairs.com/>

Biology Champions

The Royal Veterinary College is launching Biology Champions which is a free six week course that will run on Tuesday evenings between 5.30pm – 6.30pm, starting on 5 October 2021 during Biology Week. The aims of the programme are to reinforce student passion for Biology, as well as helping with their understanding at A Level. It will feature content including anatomy and physiology, ecosystems and the environment, cellular biology and immunology, and more. They will also be joined by guests from the Zoological Society of London, Biochemical Society, and Royal College of Pathologists, to explain more about career paths in the biosciences. The content is aimed at Year 12.

For more information please visit:

<https://www.rvc.ac.uk/study/rvc-is-open-for-all/visit-us/biology-champions>

To sign up for the course please visit:

<https://rvc.onlinesurveys.ac.uk/biology-champions-registration>

Brighton and Sussex Medical school - Virtual Work Experience

This course provides a 'virtual' work experience for those looking to apply to medical school. You will be introduced to the NHS before exploring the roles and skill sets of six different medical specialists. Along the way, you will also consider some of the challenges and wider issues doctors face.

For more information please visit: [BSMS Virtual Work Experience \(thinkific.com\)](https://thinkific.com/BSMS-Virtual-Work-Experience)

Once again, thank you for your continued support,

Mrs Norman
Director of Sixth Form.

Black History Month 2021

There are some great activities and sessions planned as we celebrate Black History Month. The pandemic means that more is taking place online than in person than in previous years.

- Year 7 students will have a streamed session provided by the Museum of London with a member of the Windrush Generation. This complements their current unit of work on London Through Time.
- All students from Years 7 to 11 will study three significant Black British females as part of the Personal Development Programme: Dame Elizabeth Anionwu (a pioneer nurse in the field of sickle-cell treatment in Britain), Diane Abbott (the first Black female MP) and Yvonne Connolly (the first Black female Headteacher in Britain).
- 50 students from across Years 8 to 13 will take part in a streamed session with Dr Funke Abimbola MBE entitled 'Black Excellence' looking at her career as a lawyer and engagement with Black History Month.
- There will be a writing competition with prizes of copies of Dame Elizabeth Anionwu's book 'Dreams From My Mother' which will be open to all students.

This is in addition to a fantastic addition to our school's collection of books by writers of colour by Penguin Publishers that has been won by Ms Bhatt in the English Department.

Dame Elizabeth Anionwu

Diane Abbott

Yvonne Connolly

Dr Funke Abimbola MBE

GOLDEN TICKETS

Excellence: everywhere, every day.

Staff award Golden Tickets for excellent work, effort or attitude to learning or improvement in class. This can be for excellent work, effort or attitude to learning or improvement in class.

The tickets are awarded at the end of the lesson and the reward celebrated. Heads of Year will review the rewards each week and Mr Devenney awards a certificate each week to the student(s) in each year group with the most Golden Tickets for that week. All rewards will be recorded centrally.

In the Newsletter we list the students who have received the most Golden Tickets in each year group for the previous fortnight.

Most Golden Tickets between 6th to 24th September

WELLBEING

How can I help my teenager stay safe online?

As a parent or carer, you may worry about whether your teenager is safe online. It can help to understand what the risks are, and how to support your child.

Being informed may make it easier to talk to your child, too.

Understand the risks

Online spaces can be a positive thing. But they can also come with risks. Understanding where the dangers might be can help you educate your child.

The risks can be broken into three areas:

- **Content:** This may be content that is inappropriate or unreliable. It could include content that is sexual, violent, biased or extreme in opinion.
- **Conduct:** They may put themselves at risk through their own behaviour. This could include sharing too much information.
- **Contact:** This includes bullying, grooming, or pressure to behave a certain way.

Help your teen stay safe

Support your child to learn how they can look after themselves. Try to create a positive environment.

Instead of just making rules, talk with your teenager about online safety. Make sure they feel involved in decisions and know that you're there to chat if they're worried.

Think about how you can support your child

Ask some questions to understand if your child might need extra support.

- Do you think your child could be at risk? Think about what your child is using the internet for and how much they know about staying safe.
- What can you do to help them know what the risks are? Learn what you can so you're able to share your knowledge.
- What information do you need as a parent to support your teenager?

Know where else to get support

- **Netaware** has information on different apps, games and social media sites.
- **ThinkUKnow** offers guidance on online safety for children, young people and parents.
- <https://info.nationalonlinesafety.com/mobile-app>
- **Childline** has information for young people on staying safe.
- **Child Exploitation and Online Protection** is a place to report concerns about sexual exploitation or abuse.
- **The Mix** has advice for under-25s, as well as a chat service and crisis messenger.
- **Shout** is a free text support service for anyone struggling with their mental health or well being. **Text 85258.**
- **O2 NSPCC Online Safety Helpline** provides support for parents on privacy settings, new sites, apps and general advice. Call on **0808 800 5002.**
