

Dear Parent/Carer,

It's hard to believe we are already at the end of the Spring term and two thirds of the way through this academic year. It has certainly been a strange one, but we are so proud of how well our Year 8 students have coped with all of the ups, downs and uncertainties this term has thrown at them. This week we have recognised and celebrated lots and lots of our fabulous students in the end of term assembly and I'd like to share some of their names and achievements with you also below.

Before I do so though I would just like to thank you for all your support this term; the Year 8 team is really grateful for everything you've done to support your daughter's home learning and their return to school also. We would like to wish each and every one of you a wonderful Easter break and hope that you and your daughter will be able to rest, relax and enjoy spending some more time with friends and loved ones as lockdown restrictions begin to ease.

Best wishes,

Ms Kelly-Smith, Mrs Oladokun and the Year 8 team.

Technology lessons and equipment

Due to Covid protocols the Technology department is unable to share equipment as it usually would with students and we therefore ask that you purchase a pair of scissors and a glue stick for your daughter to use in these lessons. If you have any concerns about providing these items for your daughter please let your daughter's technology teacher know via email (all staff email addresses are on the school website).
