#ChooseToChallenge #IWD2021

What is International Women's Day

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women.

The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements and for women's equality.

This event is marked annually on **March 8th**, International Women's Day (IWD) and is one of the most important days of the year to:

- celebrate women's achievements
- raise awareness about women's equality
- lobby for accelerated gender parity
- fundraise for [female-focused charities](#)

IWD 2021 Campaign Theme: #ChooseToChallenge

A challenged world is an alert world. Individually, we're all responsible for our own thoughts and actions - all day, every day.

We can all choose to challenge and call out gender bias and inequality. We can all choose to seek out and celebrate women's achievements. Collectively, we can all help create an inclusive world.

From challenge comes change, so let's all **choose to challenge**.

So let's stand up together and CHALLENGE!
