# CHSGGOLD

Excellence: everywhere, every day.

## Rewards at Carshalton High School for Girls

Praise, encouragement and rewards are central to the ethos of our school. We believe that we get the best out of our students through recognising what they do well and working hard. We give rewards for effort and participation to motivate and inspire. There is the opportunity in every lesson for students to be rewarded.

## Golden Ticket

Teachers award ONE Golden Ticket each lesson. This can be for excellent work, effort, attitude to learning or improvement in class. The Golden tickets are rewarded at the end of the lesson and the reward celebrated. These are the equivalent to three House Achievement Points for their House. At the end of each term, the students in each year group with the highest number of Golden Tickets receive an Amazon voucher.

# School Values

At CHSG there are five school values. We believe that these values contribute to 'Cultural Capital' that will equip our students to become future citizens of the community. They will enable the students to champion change in society and be guided by a strong sense of discipline and moral purpose.

## Be our best

- To put all the effort possible into achieving your goals.
- To display exemplary behaviour.
- To be sincere and honourable.

## Be involved

- To participate in lessons, school life and our community.
- To be motivated.
- To embrace opportunities.

## Be together

- To support each other every day.
- To unite as a team.
- To work cooperatively.

## Be ambitious

- To be prepared for what is ahead.
- To set high expectations for ourselves.
- To be determined, enthusiastic and resourceful.

## Be aware

- To keep safe.
- To be knowledgeable about ourselves and the world around us.
- To be mindful of and considerate to others.

Similarly, to Golden Tickets students are rewarded with House Achievement Points reflecting when they particularly display any of the School Values.

As with other achievements these are totalled up at the end of term and certificates are given to students who have excelled.

# House Achievement Points Badges

Each term, we give out certificates and badges for students who have received their Bronze, Silver and Gold Star awards in recognition for the number of House Achievement Points they have gained. We look forward to giving out more stars, to be worn on blazers, later this term.

Last term we rewarded the following:

**Bronze 278 students**

**Silver 189 students**

**Gold 112 students**

A huge well done to all our star winners.

# Every Day Star

Each term teachers identify students who deserve special recognition. This may be due to their commitment to school work or because they have impressed staff in some other way. These students are a positive example to those around them and are an absolute pleasure to have in our school.

Last term we sent over 1000 recognition emails to students in Year 7 to 13.

It was great to receive such positive feedback from parents following the recognition emails being sent home.

*"That is wonderful news thank you so much for letting us know. It is one of her favourite subjects, she'll be thrilled to hear this!"*

*"Thank you for the lovely feedback."*

*"This is amazing, can't wait to see her later and tell her."*

*"Thank you for this, I'm so pleased for her!"*

*"She has really enjoyed the topic and tells me her ideas for the project all the time."*

*"It's great to hear that her hard work is paying off and that she is excelling in a topic she really enjoys!"*

*"Thank you for all your hard work, it's evident it is paying off."*

*"Thank you so much for this wonderful email."*

*"That's great news, thank you."*

*"Really fantastic!"*

*"Thank you for letting us know. My husband and I are very pleased about her recognition."*

*"Thank you for the recognition, this is going to make her day."*

**Every day star**

# Sporting Success at CHSG

## Year 7 Sporting Achievement

The year 7's has been extremely successful in sport this academic year. Our year 7 netball team have been part of the Sutton league, playing all local schools in the Borough at fixtures. At a league tournament it was announced that the girls placed 1<sup>st</sup>, winning the league. The team were congratulated for winning the league on goal difference, being awarded with a shield while at a tournament.

Well done to all the students who contributed to winning the league!

After, they participated in the playing all teams in mini matches where they place 2<sup>nd</sup> overall just missing out on the double win by 1 point. A huge congratulations goes to the netball team in their success!

Tracey, Bethia, Soraya, Alex

Tara, Stacey, Leah, Rosie

The football team have also been super successful, currently being undefeated in all matches making them top of the league currently. They are through to the semi-finals of the Sutton league.

Fingers cross, we come away with the double win!

## Year 8 Netball

Our Year 8 Netball team have been extremely successful this academic year. The Year 8s have been competing in the Sutton Borough Netball League, where they play against all the local schools. At the league tournament it was announced that the girls placed 1<sup>st</sup>, winning the league. They were the only team to be undefeated in the whole league by winning all matches played. The girls were rewarded with a shield in front of all other competing schools, rewarding them for their success. Well done to all the students who contributed to winning the league!

After, they participated in the playing all teams in mini matches where they place 3<sup>rd</sup> overall. A huge congratulations goes to the netball team in their success!

Alisa, Katie, Evie, Taya

Olivia, Emily, Dena, Estella

## Year 9 Netball

The Year 9s have been competing in the Sutton League playing all local schools in the Borough. They have had a successful season and came 3<sup>rd</sup> overall, roll on next season!

## Year 10 Netball

The Year 10s have also had another successful season in the same Sutton league, they won majority of their games and only lost to Cheam. The year 10s came 2<sup>nd</sup> overall just missing out on the trophy! Well done for another successful season of Netball, you have been amazing!

# Academic Distinctions

## Academic Excellence: everywhere, every day!

Each half term, students are nominated to receive this award by their subject teachers for excellent effort and performance in their subjects. Well done to all the students who received their Academic Distinction Certificates before Easter.

*"It was great to get my award and know that the teacher recognises all my hard work and effort in her lessons."*

Zahra - Year 7

Below, with Mrs Devaney, are the students from 10B1,10B2 and 10Y2.

## Year 11 Pink T-Shirts

We like to reward positive behaviours, across Year 11, with the pink polo shirts. We have looked at mock grades and have awarded those who have performed particularly well and have also taken advice from teachers about effort levels in lessons and attitude during out of class times and have awarded accordingly. Congratulations to all who have gone home with a pink polo!

## Bar Mock Trial

On the 9<sup>th</sup> March 2022 fifteen Year 11 and Year 12 students took part in the annual Bar Mock Trial. This is a national competition, and the students took part in the Virtual Inner London heats.

The students have spent a lot of time preparing for the trial on Monday's after school, taking on the role of witnesses, barristers, ushers, court clerks and jurors. Our barristers prepared opening speeches and closing speeches and had to cross examine a team from opposing schools, our witnesses had to remain calm under interrogation! Ushers and court clerks had the difficult job of making sure that the case ran smoothly, and our Jurors had to deliberate and make decisions about whether the defendant was guilty or not guilty.

I am delighted to say that we won our heat, despite fierce competition. This is a massive success for *#teamchsg*.

We are so proud of our students who showed commitment, teamwork and resilience.

Well done everyone!

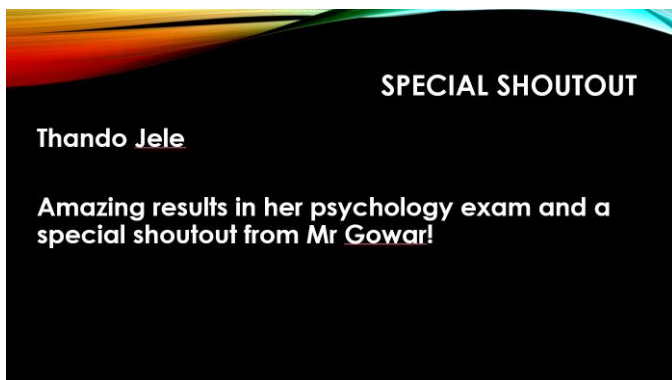

Mrs Burton and Ms Lagess

## Year 12

Well done to all the students who attended the UCAS Exhibition at Excel and the Apprenticeship show at Sandown in March - you were a credit to your Year group.

The events helped crystallise or Sixth Formers ideas about where they might go and what they might achieve once they leave school.

# Year 13 Student Success

Sophie J in Year 13 has been selected to compete in the English Schools' Swimming Championships.

We are very proud to announce that she will be representing Carshalton High School for Girls rather than her club!

We wish Sophie much success in her imminent races and for her future in her swimming challenges. *#teamchsg*

Lucia in Y13 is an A-level music student and a very talented Violinist. We would like to congratulate Lucia in her recent achievement. Lucia has taken her Grade 8 Violin Exam and achieved a merit. We are very proud of her achievements and no doubt will see Lucia go on and achieve great things in the music world.

Lucia will be leaving us to study music at the Royal Welsh College of Music and Drama in September.

Good Luck Lucia!

# Knitting and Crochet Club

A big well done to the Knitting & Crochet Club!

The Knitting & Crochet Club have been creating premature baby blankets, lap blankets for the elderly, bonding squares and sensory preemie octopuses. It is great to see some pieces coming together and the progress of different techniques used. The Sixth Formers aim to send out gift packages to local hospitals and care homes in the borough.

Bonding squares are wonderful for mothers and babies who are separated due to emergency care within the neonatal unit. This means that they can share and experience the scent of each other when it might not be possible at times to see each other.

Along with these the octopuses will prevent premature new-borns from playing with wires and tubes that are attached; they can also help elderly residents with dementia when they feel distressed. The baby blankets and elderly lap blankets are used to provide comfort.

The past month Knitting & Crochet Club Sixth Formers have put in effort to plan and set goals for completing the project hopefully in June. Blankets and squares have been handmade and ready to put together. We continue to make more progress as we work each week.

Thanks to the help of Mrs Norman and Tracey for their support.

Amelia A and Emma A in Year 12

# Young Enterprise

Well done to our Year 12 Young Enterprise team "SASC" who were at Old Spitalfields market selling their sustainable and eco-friendly jewellery!

Our Young Enterprise project called SASC (standing for Sustainable Attainable Safe Company) is a student company where we have created our very own authentic gift bags and jewellery from reusable resources. In order to fund for the money to collect these resources, we organised a fundraiser Sweet Treats Stall in December which was very successful. Once we collected these raw materials, we spend our free periods in school creating necklaces and gift bags (handmade via sewing machine). These products we sold at numerous public stalls such as the Wallington Farmers Market and Spitalfields Market (as well as negotiating with our local cafe shop Dotty's Teahouse to sell our jewellery).

Please follow our social media and website to see what we do.
