## Who's Who In Year 7

---

**Mr Devenney**  
Headteacher

My name is Mr Devenney and I am Headteacher at Carshalton High School for Girls.

I would like to welcome you to the school and I am delighted to be working with you.

Learning is at the centre of all that we do here at CHSG and you'll be glad to know that there are lots of opportunities for you in the weeks and months ahead both in and outside of the classroom.

Our school has very high standards and we all work hard as a community to make sure these standards are met – we cannot waste a moment when it comes to your education!

Everything at CHSG is geared to making the future a really positive, happy and successful experience.

**Mr James**  
Assistant  
Headteacher  
SENDCo

My name is Mr James and I am an Assistant Headteacher here at CHSG. My role is to make sure that your transition to Secondary School goes well and we have all the information about you from Primary School. I also have to make sure you are challenged from the start and you learn lots of new things at CHSG whilst having a little fun! My main subjects are History and Politics.

I am also the school's SENDCo. I work with students, parents and of course with our teachers to ensure you are reaching your potential. Sometimes it is necessary to work with professionals from outside of school to provide extra support. My office is in the C block where we also have a number of rooms to provide withdrawal work.

My advice for Year 7 would be "If plan A doesn't work, there are 25 more letters in the alphabet. Never give up – you will find a way".

## Who's Who In Year 7

---

**Mrs Newman**  
Pastoral Support  
Officer

My name is Mrs Newman and I am the Year 7 Pastoral Support Officer. Before coming to CHSG I worked for the Behaviour Support Team in Sutton. I work with all of Year 7 and 8 students making sure they are happy and settled in school and I offer support and advice for any worries, concerns, friendship issues you may have or your parents may have. I have 4 children who are now all grown up. I have visited lots of primary schools for my previous job so I may know some of you or some of your teachers.

One piece of advice I would give you is to see starting Senior School as a fresh start. Come with an open mind as to what it will be like, any friendship issues should be left at primary school. If you have any worries ask for help as soon as they happen so we can help you.

**Mrs Mellish**  
Attendance Officer

Hi my name is Mrs Mellish and I am the School's Attendance Officer.

My main job is to oversee all students' attendance and to monitor their punctuality.

My main advice is to be in school every day and to trial-run your route to school a few times over the summer to ensure you will not be late.

**Miss Stanley**  
Year Leader 7

My name is Miss Stanley and I will be your Year Leader. It is my role, along with the rest of the Year 7 team including your Tutors, to help you settle really well into our school. We will support you by encouraging you to work hard, enjoy your learning and make really positive friendships whilst also joining lots of clubs and getting involved in the whole of school life. We are really looking forward to you joining us in September!

My piece of advice for Year 7 is to ask questions and listen to the answers. If you're not sure, ask someone, and remember someone else probably has the same question!
