A Message from Miss Williams

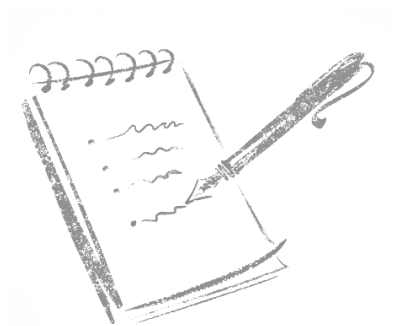

Hello!

Welcome to our Carshalton High School for Girls Summer School brochure. Here you will find out lots of information about what we have planned especially for you and your new year group over the summer holidays. I can assure you that you are in for a treat!

I have been very busy working with my team to make sure that we give you a wonderful experience, where we will be doing a combination of both academic and enrichment based activities throughout the week. You can find out what we will be getting up to on the next few pages. Please take some time to look through this with your parents/carers. If you wish to attend then you'll need to ask your parents/carers nicely to complete your booking form for you. Details on how to do this are at the bottom of this page.

I hope you enjoy reading through our brochure and I look forward to seeing you in August.

How can I book?

Our booking form is online. If you would like your daughter to attend our summer school then we ask that you complete this MS Form:

Please note that by completing the form you are securing your daughter's place on the programme. Should you wish to withdraw your daughter from summer school then you will need to do so in writing via email to Miss A Williams.

But wait, there's more...

Team Building Challenge

During the week our students will have the opportunity to take part in a two-hour team building session with members of their new year group. ZestMe will be running a series of mini-challenges that are carefully orchestrated to boost confidence, communication skills and problem solving within a team.

The main focus is on teamwork, which is more important than ever after a prolonged time of students having reduced face to face peer contact. Every student is valuable in this event and every student will finish feeling a sense of achievement and worth. This highly engaging and interactive experience would not be one to miss!

And...

IT'S
A
KNOCKOUT

The infamous 'It's a Knockout Challenge' will be coming to CHSG for one full day of inflatable fun. Not only will our students work in teams to win the ultimate prizes, they will be laughing and smiling with their new friends. This event is sure to be a highlight of the week!

Important Information

Timings

The school day runs from 10.00am - 2.15pm. Students can begin to arrive from 9.50am where they will be greeted by members of staff to register. Students will be brought back to the entrance gate at 2.15pm for dismissal.

Clothing

Students will need to arrive to school in sensible active wear. This will be anything they can participate in physical activities with. We recommend loose clothing and trainers. No restrictive or inappropriate clothing please (i.e. jeans, bodysuits, crop tops, flip flops etc). You may be asked to bring some other clothing into school if your daughter is wearing anything impractical that will result in them not being able to participate.

Curriculum

We are offering a wide variety of activities throughout the week focusing on academic and enrichment based sessions. These sessions are being led by our experienced members of staff. You can see what we have planned on the previous pages.

Behaviour

We have the highest standards of behaviour for our students. Our students have always behaved impeccably at summer school; they are kind to others, respectful of staff and ensure that learning activities are not disrupted. However, if any student's behaviour is poor they may need to be removed from a session. If necessary we may require you to come and collect your child early.
