29th April 2019

Dear Parent/ Carer

Multi Activity Trip to France – Saturday 25th May - Saturday 1st June 2019

I would like to clarify final arrangements for the France Trip.

We will be travelling by coach and ferry, departing from school **13.30pm** on **Saturday 25**th **May**. Students need to be at school for **13.00pm** on the afternoon of departure. We should be returning at around **10am** on **Saturday 1st May**; however, this is subject to no delays, so I will ask students to call/text you to give details of exact arrival time once back in the UK.

Journey Details:

Departure: Saturday 25th May: 13.30pm depart CHSG, 18.35pm depart Dover and arrive Sunday 26th May at 08.30am AzuRivage

Departure: Friday 31st May: 17.00pm depart AzuRivage, Saturday 1st June 06.45am depart Dover and arrive 10am CHSG

Passport and EHIC Card

We ask that your daughter's **passport and EHIC card** be handed into the Finance Office by **Friday 10th May 2019.** This must be done in the mornings **before registration.** The envelope should be labelled 'France Trip' followed by their name and tutor group.

Day out

Our day out will be at Arcachon and the Dune Du Pilat. Arcachon is a seaside resort town in southwest France and Dune du Pilat is the tallest sand dune in Europe. It is located in La Teste-de-Buch in the Arcachon Bay area.

Spending Money

We recommend around **€70-80** but it is at your discretion (you may also wish to provide British pounds for the ferry as the girls will need breakfast on their return journey). The money is for the girls to buy snacks on camp, souvenirs and money for meals for the one day we are off camp.

Mobile Phones/Electronic Items

Students are allowed to take their mobile phones but please check with your mobile network provider as to coverage in France. It is advised that the international roaming function is switched off as charges can be high. Your daughter will not have access to electricity in her own tent but there will be opportunities to charge phones. If your daughter brings any electronic items, they are entirely your daughter's responsibility.

I will be taking a school mobile on the trip and on our arrival you will receive a text confirming our safe arrival.

Other information

I suggest the students take food with them for the outward journey as we are departing at 1**3.30pm** or the girls may eat on the ferry. I also suggest students take small snacks with them, to keep up their energy levels during this very active week.

If there are any changes to your contact details or daughter's medical details, please fill in the reply slip below. Attached is the recommended kit list for the trip and planned ltinerary.

Your daughter's inclusion on the trip is dependent on her satisfactory behaviour in school and her general standard of work. Your daughter's behaviour will be reviewed constantly before the trip and if found to be unacceptable at any point, she will not be allowed to participate. If she is not allowed on the trip, **there will be no refund of any monies paid.**

Whilst on the visit please emphasise to your daughter that will be required to obey the instructions and advice of the Party Leader and accompanying adults.

If you have any queries, please don't hesitate to contact me through the school office or on my email <u>rgolightly@suttonmail.org</u>.

Yours faithfully

Relightly
