

June 2017

Dear Student & Parent/Carer

### Sixth Form Induction Programme

We hope that the recent examinations are going well and that you are looking forward to joining our Sixth Form. To ensure a smooth transition into the Sixth Form, students are required to attend two subject taster days from **Monday 3<sup>rd</sup> July to Tuesday 4<sup>th</sup> July 2017**.

**Students need to choose in advance the subjects. Their choices need to be sent to Mr Brittain by 23<sup>rd</sup> June.** During the induction days all students will have an opportunity to meet the Sixth Form team, attend lessons from their timetable and consider making amendments to their subject choices. They will also have the opportunity to hear from previous and current Sixth Form students about their experiences, ask questions about Sixth Form life and get a flavour of what extra-curricular opportunities are available.

On both days subject staff will be providing students with reading lists and preparatory work to give them a head start in their chosen courses. Most of the work will also be available on the school website if parents would like to see the tasks that students have been assigned.

If students would like to discuss their choices further they can book a one to one appointment with a member of the Sixth Form Team on Monday or Tuesday. They will be given further details of how to book a meeting on Monday 3<sup>rd</sup> July.

We are certain that you will find the days interesting and informative and look forward to introducing you to Sixth Form life. Please ensure that subject choices for the days are completed on the form enclosed with this letter **and return it to Mr Brittain, or email him your choices at [jbrittain1@suttonmail.org](mailto:jbrittain1@suttonmail.org)**.

Yours sincerely

Mrs A. Davis  
Head of Sixth Form

Miss Lowe  
Head of Year 12

**There are quite a few important upcoming dates so we thought that it would be helpful to have these dates on one sheet for easy reference:**

<b>Date</b>	<b>Time</b>	<b>Event</b>	<b>Where/notes</b>
