

September 2017

Dear Student, Parent/Carer,

Show My Homework

We are excited to be launching Show My Homework, an online tool to help you keep track of homework. Show My Homework will allow you to see the details of the tasks that have been set, all deadlines, the status of submissions and grades. We have decided to introduce this system to improve the way we communicate with students, parents or carers and give you a greater knowledge of the homework set.

Students, parents/carers are provided with their own login details to their Show My Homework account which is linked to a child's homework calendar. Parent/carers will be able to see their child's 'To Do' list and any homework that is overdue.

To view all homework set please visit **www.chsg.org.uk**, the link for Show My Homework is on our website's homepage. Please also remember there is available:

- ❖ 24/7 access
- ❖ The ability to view the quality and quantity of homework
- ❖ Translation into over 50 languages
- ❖ Apps available for iPhone, iPad, iPod Touch and Android devices
- ❖ Automated notifications before homework is due

We will be launching Show My Homework with students from the 26th September and we hope that this service will provide students, parents and carers with a deeper insight into homework generally. More importantly, we hope that it will improve students' organisation, time-management and help them to keep on top of their workload.

To keep up to date on the move please download the Show My Homework App. Notifications will then be sent through outlining what homework is due. There will also be notification of grades, overdue homework and announcements/events.

Any questions regarding the service can be directed to the team at Show My Homework, who are always happy to help. Just email help@showmyhomework.co.uk or call 0207 197 9550.

I am also happy to answer any queries and receive any feedback about the new software. Please contact me by e-mail at **nrahman1@suttonmail.org**.

Thank you once again for your support,

Yours faithfully,

Mr N. Rahman
Assistant Headteacher
