

20th November 2017

Dear Parent/Carer,

I am writing to inform you of a change to the homework club detention system that we currently operate.

Due to the introduction of Show My Homework, the fact parents now have full access to students' homework and due to the winter months, we have made a change to the homework detention system. The new system will commence from the 20th November 2017.

The new system is highlighted below:

- If a student receives 4 entries for lack of homework, parents will be informed so this can be addressed. Departments and teachers will continue to sanction for lack of homework as previously.
- At 10 entries for non-completion of homework, a student will automatically be referred into homework detention club for 30 minutes on 5 consecutive days. The homework club detention is to try to aid the completion of homework.

If you have any queries please do not hesitate to contact me by e-mail at **nrahman1@suttonmail.org**

Thanking you for your support,

Yours sincerely,
