

6th March 2018

Dear Parents/Carers,

Associate Headteacher

I am writing to inform you that governors have decided to create a new post on the Senior Leadership Team, that of Associate Headteacher. This will be in place from September 2018.

The creation of the post is in response, in part to my request to be in school four days per week next academic year rather than five, and partly to build capacity to allow me to undertake some work across the Multi-Academy Trust.

Just before half term, the appointment was made and I am delighted to inform you that Mr Devenney, current Deputy Headteacher, has been appointed to the post.

I feel this is a very positive move for the school with Mr Devenney working alongside me in this new role. It also provides an ideal opportunity for future succession planning for the school.

Yours sincerely

Vivien Jones
Headteacher
