ASSESSING & TRACKING PROGRESS OF YEAR 10

Why are we changing?

- English and Maths are being taught using new specifications and these are linked to the new GCSE grades
- Teaching and learning across 5 years will now build up skills and knowledge for new more rigorous GCSEs
- Assessing and grading using a uniform format over 5 years

How do the new grades compare?

Old GCSE grade	New GCSE grade
A*	9
A*/A	8
A	7
B	6
C	5
D	4
E	3
F	2
G	1

* this is an approximation as the grade boundaries have not yet been set

How will we assess students in Year 10?

- Interim informal assessment
- End of unit tests, half termly written tests/practical tests/skills tests
- To review/consolidate most recent learning, diagnose gaps
- To relate to GCSE style testing e.g. include adapted or actual GCSE questions

- Formal assessment
- Written assessment with a percentage score for all subjects
- Practical tasks/skills e.g. in PE and Dance
- Will mirror GCSE style testing
