

GENERAL LETTER SENT BY INTOUCH

28th January 2019

Dear

Year 9 Girls Engineering Summer School

Please be advised that Imperial College London Year 9 Girls Engineering Summer School application is now open. The Summer School is non-residential and will take place from 27th August-31st August 2019. Students will tackle challenges across engineering utilising their knowledge of maths, physics, chemistry and biology to learn how engineers use their scientific knowledge to develop solutions to real world problems.

Please share this information with your year 9 students (please note this Summer School is for **girls only**).

For information on other summer schools please visit www.imperial.ac.uk.

Mrs Greenland, Careers Leader
