REGISTRATION & CERTIFICATION POLICY

Aims

- To register individual learners to the correct programme within agreed timescales.
- To claim valid learner certificates within agreed timescales.

In order to do this, Carshalton High School for Girls will:

- Register each learner within the awarding body requirements
- Register each learner on the appropriate programme code, before any assessment activity is completed
- Provide a mechanism for programme teams to check the accuracy of learner registrations
- Make each learner aware of their registration status
- Inform the awarding body of withdrawals, transfers or changes to learner details
- Ensure that certificate claims are timely and based solely on internally verified assessment records
- Audit certificate claims made to the awarding body
- Audit the certificates received from the awarding body to ensure accuracy and completeness
- Keep all records safely and securely for three years post certification.

Procedures at Carshalton High School for Girls:

- Heads of Department will notify the Quality Nominee and Examinations Manager, in September, of any changes to the qualifications to be offered in the academic year. Unit information must also be supplied and changes in mid-year changes in units offered should be communicated by Heads of Department, to the Examinations Manager, as a matter of priority.
- Requests for authorisation to deliver new qualifications should be raised with the Examinations Manager at the earliest opportunity.
- Registrations are to be completed by Examinations Manager at the start of each academic year.

- The Examinations Manager will request the checking of learner registration data from Heads of Department.
- Heads of Department will notify the Examinations Manager of any qualification transfers or withdrawals immediately that these are agreed with the Senior Leadership Team.
- Heads of Department are responsible for checking final unit gradings for internal assessments and for ensuring that accurate information is supplied to the Examinations Manager pre-claims.

This must be completed by the Lead Internal Verifier and checked by the Head of Department (if these are the same person, then a teacher from the department should check the grades are recorded accurately). Any grade amendments made during the Standards Verification process should be actioned by the Lead Internal Verifier.

Procedures at Carshalton High School for Girls

- Authorised assignment briefs should be used where appropriate. Where modifications or assignment development is allowed, the briefs must be fully internally verified prior to hand-out.
- All assignment briefs should be stored centrally in the BTEC Teams file.
- Assessment plans should be updated termly, during Departmental Meetings. Amendments should be authorised by the Lead Verifier. These working documents should be stored on the BTEC Teams site.
- Assessment should adhere to Joint Council for Qualifications requirements, and with instructions in individual qualification specifications, and Pearson assessment guidance.
- Entries for external assessments must be requested to Examinations Manager by Heads of Department at the start of the academic year, or at the earliest opportunity, with any amendments, or additions, being notified to the Examinations Manager as a priority. The Examinations Manager will send a spreadsheet of learner registrations prior to external assessments, to the relevant Heads of Department, and it is the responsibility of the Heads of Department to notify the Examinations Manager of variance.
- At the beginning of each academic year, learners will be provided with information on when assignments are to be assessed and in what format. This will accompany their Learner Handbook on their class Teams area.
- Where relevant, internal assessment resubmissions and retakes must be authorised by the relevant Lead Internal Verifier and administered as per the BTEC Centre Guide to Internal Assessment instructions (see link below).
- The most recent Pearson produced templates must be used for all assessment and verification activities. They can be found under Quality Assurance Templates (see link below).
- Heads of Department are responsible for tracking learner attainment at unit level. Attainment must be recorded on a spreadsheet in the BTEC Teams area.
- The Quality Nominee will manage the shared Teams area and ensure that links to relevant documentation are present. The Quality Nominee will have oversight of BTEC qualification assessment plans and internal verification records, which are to be stored on the shared BTEC Teams site.

- All assessment records must be kept for 3 years. Learner work should be retained for 1 year after qualification.

Internal Assessment Process

- Learners must receive assignments after they have been taught the unit and must work independently on the assignments. The deadline must be clear and must be met.
- For Level 3 BTECs, extensions must be authorised by the Lead Internal Verifier and must be as a result of a legitimate cause, e.g. severe illness. An extension must be recorded on the assessment record and signed by the Lead Internal Verifier. There are no extensions for Tech Awards.
- Assessment and internal verification should be carried out according to the assessment plan and feedback should be timely. The Pearson standard assessment and verifications records must be completed.
- For Level 3 BTECs, where specifications allow, resubmissions must be authorised by the Lead Internal Verifier and this must be recorded on the assessment record and signed by the Lead Internal Verifier. A deadline for resubmission must be set, which is within 15 working days of the learner receiving their assessment feedback and result. This must not cross school holidays and must be in the same academic year. Grade achievement cannot be capped and learners must be allowed to re-attempt all assessment criteria. Feedback must be timely. Resits may be authorised by the Lead Internal Verifier if the learner has resubmitted and still failed to reach the pass criteria, they may resit the assignment. Attainment will be capped at pass in this circumstance.
