Dear Parent/Carer

Operation Encompass

The school has been given the opportunity to take part in a project that will run jointly between schools and the Metropolitan Police. Operation Encompass is the reporting to schools, when a child or young person has been present at the address of a domestic incident.

Operation Encompass will ensure that a member of the school staff, known as a Dedicated Safeguarding Lead, uses the information that has been shared, to ensure that the school is able to make the appropriate pastoral provision for any possible difficulties experienced by a student.

We are keen to offer the best support possible to all our students and we believe this project will be extremely beneficial for all those involved.

Yours sincerely
