Dear Year 11 Parent

'Up for Revision Challenge' - 21st March 5.15pm – 6.15pm

At the end of this term we will be holding our annual 'Up for Revision Challenge' evening. This is the final opportunity we have to meet as a year group and we will be sharing crucial information about your daughter's preparation for her GCSE examinations. This will include a comprehensive revision and exam timetable, specific revision information and how to cope with the stress of exams. We will also be presenting students with a record of achievement folder. There will also be short performances showcasing the work of some of our GCSE Performing Arts students.
