

## Equipment List

Your daughter will need a fully stocked pencil case including: blue and black writing pens, a green biro, pencils, ruler, rubber, pencil sharpener, coloured pencils, scissors, glue, compass, highlighter pens etc. Equipment will be checked every morning by their tutor. **Tippex should not be brought to school.**

### Individual Subject Requirements

**Literacy** Reading Book – as part of our literacy campaign students are expected to bring a book that they are reading to school every day. Books can be borrowed from our extensive collection within the Learning Resource Centre (LRC).

**Mathematics** Protractor, compass and scientific calculator. We strongly recommend the **Casio fx-83GTX** or **Casio fx-85GTX** calculator. Prices vary between retailers. The majority of our maths staff and students have this model, or its predecessor. It is very intuitive, easy to use and will, if looked after be used through to Year 11 and beyond. Slightly cheaper calculators are available but the functionality is greatly reduced and they are much less useful, especially in their screen layout and in regards to their use with fractions. Calculators should be labelled with the student's name. Please see our video demonstration of our recommended calculator on our CHSGMaths YouTube channel.

**Technology** For each lesson students will need the following equipment:

Essential: pencil, pen, 30 cm ruler, coloured pencils (not felt tips)

Helpful: Black fine line pen, set square, compass, rubber, sharpener

**PE** Full indoor and outdoor kits (please refer to the school uniform list)
