

CHSG Safeguarding

If you are concerned about the safety of a child, or a student has disclosed to you, **you must talk to a member of the safeguarding team personally**. Then record as much information on to CPOMS (carshaltonhigh.cpoms.net on the computer's start menu or via link on school homepage).

If it is out of school hours and no one is in school to advise, staff can call the school safeguarding number on SharePoint. If you are still unable to reach anyone please contact Children's First Contact for advice, see number below or contact the police if there is an immediate risk of harm.
